

RECOLLECTIONS

Honoring the collectors who maintain the spirit of the transportation industry

It didn't stop Dave Bontrager when doctors told him he had to end his 40-year truck driving career. After more than 3 million miles on the road, he turned his passion for trucking into a unique business called Fatjack's – Diesel Smoke & Dreams. This custom truck model business located on a lonely county road near Elnora, Indiana is easier to find on the Internet at www.fatjacksplace.com.

Resiliency

On our 50th Anniversary, Bandag celebrates the resiliency of truckers and the trucking industry. We know first hand, that you can't get where you're going unless you follow your dreams.
