### B123 FuelTech®:

- The B123 FuelTech tread combined with R123 casing reduces energy loss by 4.7% for optimum fuel efficiency
- B123 FuelTech is engineered to deliver a 5% improvement in wear performance compared to B197 FuelTech through optimized tread design
- The B123 rib design fights irregular wear which leads to longer tread life

*Disclaimer - Comparison based on Bandag B123 tread with R123 casing versus Bandag B197 tread with R197 casing. Results may vary.*

## B123 FuelTech® New Product

### Ordering Information:

Tread Size	Item Number	Skid Quantity	Tread Depth
210mm	3001431	20	11/32
220mm	3001432	20	11/32
230mm	3001433	20	11/32
240mm	3001434	16	11/32

### Curing Information:
